MEMORANDUM

DATE: July 26, 2007

SUBJECT: Review of the Quality Management Plan (QMP) prepared by
CH2M HILL for Celotex Superfund Site, Illinois

FROM: Ida Levin, Quality Assurance Team Leader
Field Services Section (FSS)

TO: Jena Sleboda, Remedial Project Manager

I have reviewed the QMP prepared by CH2M HILL for Celotex Superfund Site, Illinois. The document was received by FSS on July 9, 2007 (SF Log-in No.3524). The contractor addressed all EPA comments provided on October 4, 2006.

The submitted QMP describes the quality system which is in compliance with EPA requirements
